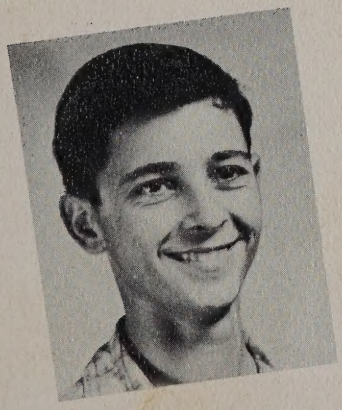
In Memoriam



We, the Senior Class of Gretna High School, in memory of our friend and classmate, Virgil Kegley, who was removed from our midst by Divine Providence on June 18, 1950, do hereby resolve:

That we shall ever remember him for his good character, his interest in his work and his keen sense of humor which won for him a host of friends.

That our class has experienced a very great loss in his going.

That his memory will live on in our hearts and we shall try to make our life's work a memorial to him.
